MEMORANDUM FOR: Deputy Director of Central Intelligence

THROUGH: A/Director, Intelligence Community Staff *on* FEB 3 1982

FROM:
Chairman, Human Resources Committee

25X1

SUBJECT: Revision of DCID 1/17

- REFERENCES:
1. Memo for NFIB from Executive Secretary
(NFIB-M-89 dated 12 August 1981)
 2. Memo for Members of HRC from Chairman, HRC
(HRC-81-72 dated 6 August 1981)

1. Attached at Tab A is a draft revision of DCID 1/17 establishing the DCI's Human Resources Committee. The revision incorporates language from E.O. 12333 and refers to it. It also reflects the 4 August 1981 NFIB discussion and endorsement of the National HUMINT Collection System and my memorandum to HRC members of 6 August 1981, which you reviewed in draft. (Both references are attached.) The proposed DCID 1/17 revision, therefore, codifies decisions and guidance already on the books.

2. If you approve, I propose to circulate the draft for Community comments, reminding the members that they are expected to speak for their NFIB principals.
